

DR. BRAD POPPIE

Speaker, Author & Entrepreneur

ABOUT DR. BRAD POPPIE

Author, educator and successful entrepreneur, Dr. Brad Poppie understands the challenges facing the modern business owner. Having founded businesses ranging from healthcare to hotels and apparel companies, Dr. Poppie knows how easy it can be for a business owner to take too much on themselves at the sacrifice of personal freedom.

Through both his personal experience and his in-depth study of highly successful businesses, Dr. Poppie has formulated an equation for business success that ensures an entrepreneur's work/life balance while not sacrificing success.

Building on his past successful guides, *The Poppie Factor* and *Creating and Sustaining Unstoppable Business Momentum*, Dr. Poppie takes you on a business growth journey, giving you the strength, courage, and knowledge to build and grow a successful, independent business in his new book, *The New Intrapreneur*.

DR. BRAD POPPIE // SPEAKER

Dr. Poppie is a renowned serial entrepreneur with a passion not only for the “game” of business but also for empowering those who want to take the plunge from traditional employment to being the CEOs of their lives.

By catering to a vast array of audiences, Dr. Poppie relentlessly structures his speeches to not only captivate, but to motivate with take-away points that people can actually implement in their own lives and business endeavors.

If you're looking for an engaging speaker for a specific audience, Dr. Poppie has the ability to customize presentations that are tailored and he can fulfill any need within your organization.

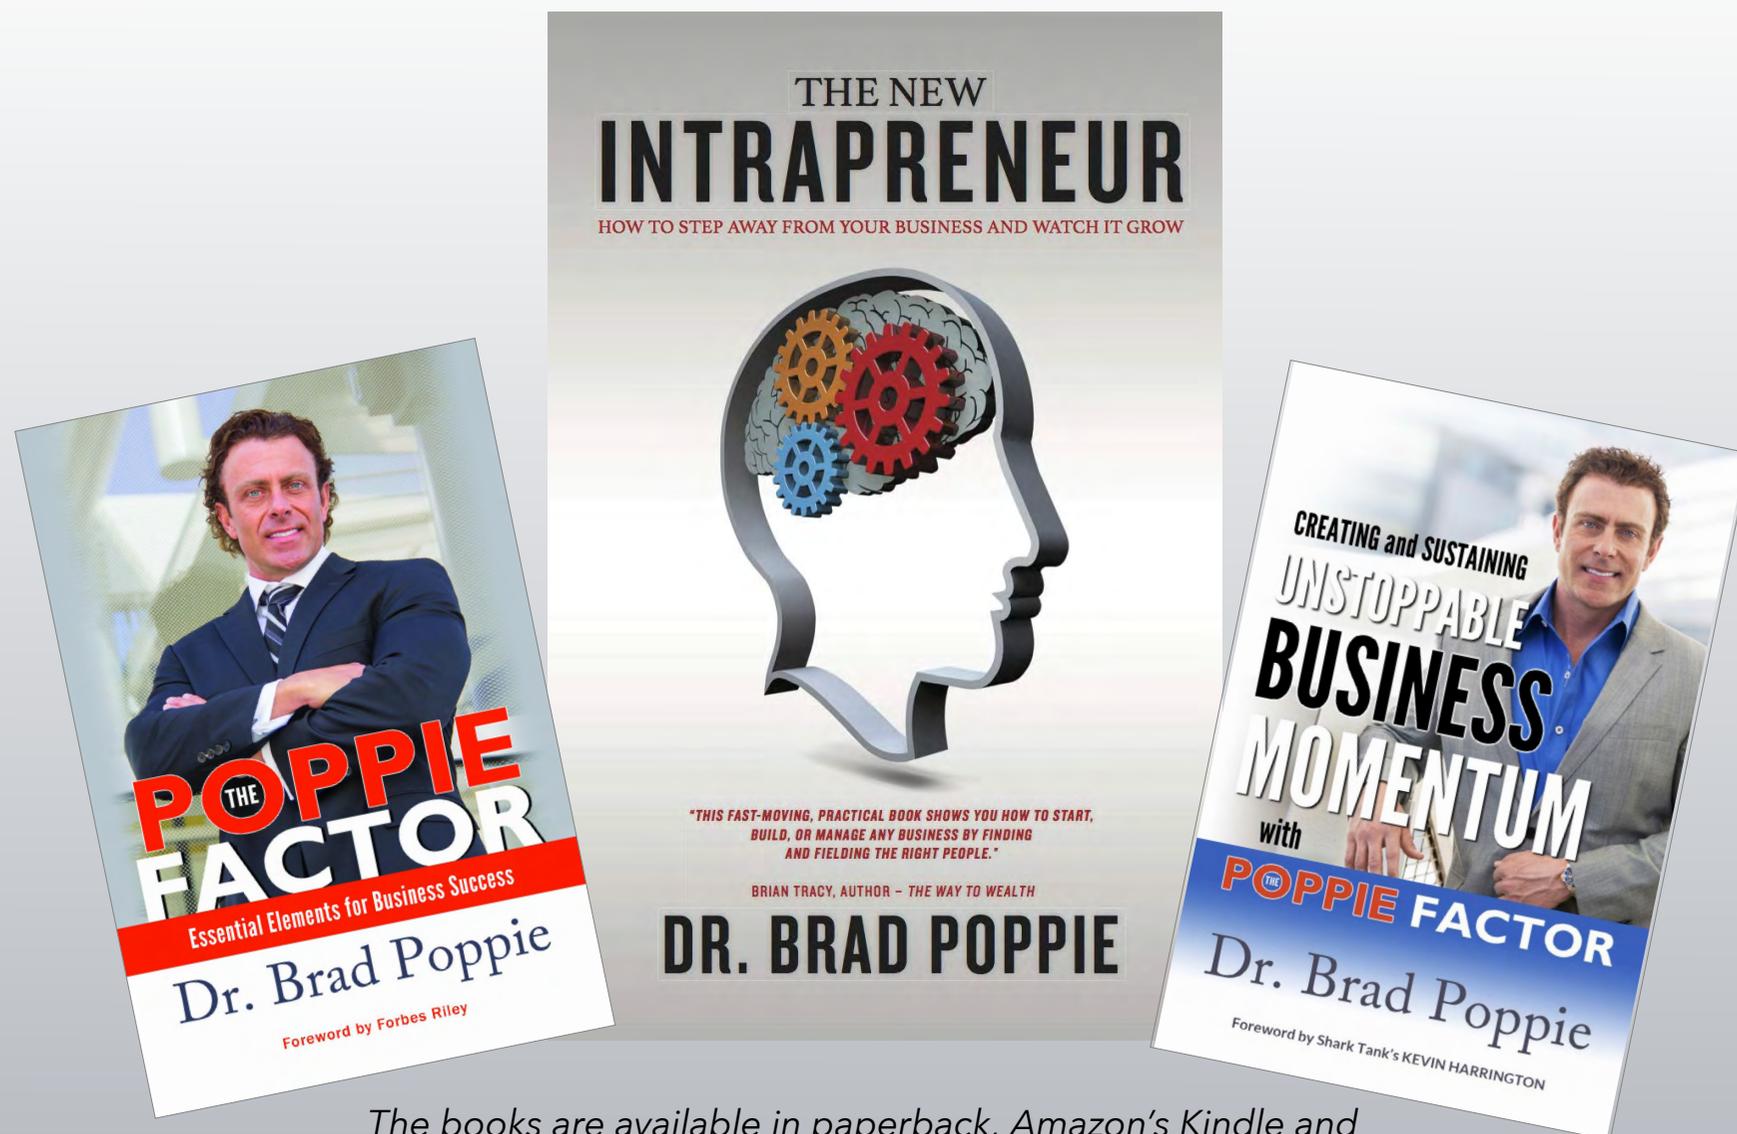

TOPICS INCLUDE:

- Essential elements for business success
- Sustaining and maintaining key talent
- Refining your brand to boost profitability
- New management techniques like intrapreneurialism and participative management

DR. BRAD POPPIE // THE AUTHOR

The Poppie Factor trilogy is designed to guide anyone within the business world ranging from the dreaming entrepreneur to corporate upper management. From his 30+ years of business experience, Dr. Brad Poppie shares his blueprint for starting a successful business, growing and sustaining business momentum, and building a strong team that will carry your business forward.

The books are available in paperback, Amazon's Kindle and Audible.

DR. BRAD POPPIE // ENTREPRENEUR

Originating in 2000, **Physical Rehabilitation Specialists** has become the most respected personal injury rehabilitation group specializing in the treatment of orthopedic pathology with expert level documentation, testimony, and Functional Capacity Evaluations. Our doctors of physical therapy specialize in providing care for patients involved in motor vehicle accidents, slip and fall injuries, and workers comp cases. dents, slip and fall injuries, and workers comp cases.

The vision at **Bradley Allen** is to transform the way that bodybuilders and muscular men wear their clothing. Rather than settling for baggy shirts or expensive tailoring, we foresee a world where every man has a quality, ready-to-wear, dress shirt that he feels great in no matter how big his biceps are. With innovations including pants and other vital dress apparel items in the works, Bradley Allen is becoming the authority in fitness dress apparel.

**Langston
Press**

With an industry that is filled with hoops for business writers to jump through, Dr. Poppie created this company to simplify that process and make publishing a more entrepreneurial-friendly process.

DR. BRAD POPPIE // SPEAKER

BRAD CONNECTED WITH OUR AUDIENCE, AND MADE A HUGE DIFFERENCE.
